Re: Newark Pacific Paperboard NewKote Light Back – Statement of Content

Dear Jeff:

The paperboard product *THE NEWARK GROUP* supplies to Buzz Converting is produced using 100% recovered fiber, thereby making it 100% Recycled Paperboard, and contains a minimum of 50% post-consumer waste. The balance of the fiber furnish is post-manufacturing waste such as new corrugated clippings and envelope cuttings. We do not use purchased virgin pulp at any time.

THE NEWARK GROUP is also one of the founding members of the 100% Recycled Paperboard Alliance. More information about 100% Recycled Paperboard and the Alliance can be found at www.rpa100.com.

Thank you for your interest in our 100% recycled NewKote paperboard. As always, please don't hesitate to call should you need any further information

Regards,

Bill Doerr
Manager of Environmental Affairs
